Scenic Psalms

Scenic Psalms was initially published as a standalone book in 2007. The photos are by Curtis Sergeant. Forgive the line down the center of each page in this version. The original was published as facing pages and I took images from that version. Since this is a free resource, hopefully you will get over it! Enjoy!

Photo Verses

The photo verses that follow the Scenic Psalms, and start on page 41, were first released in 2008. They were available as posters. All photos are by Curtis Sergeant. I hope you enjoy this free version.
